

The Concrete Society Wales Region in conjunction with the South West region

Concrete Industrial Ground Floors – The New Guidance An Introduction to the 4th Edition of Concrete Society Technical Report 34

Seminar – Wednesday 18th September 2013
Venue: Swalec Stadium, Cardiff

The newly published 4th edition of TR34 supersedes the 3rd published in 2003. It brings TR34 in line with the latest Eurocodes and Standards. In drafting the 4th edition, the opportunity was taken to completely review and update the structural design procedures for ground-supported and pile-supported floors. Also included in the 4th edition are changes to floor flatness specifications reflecting European standards, as well as a greater emphasis on floor maintenance.

The seminar speakers include people involved with drafting of the 4th edition. As with previous editions, the 4th will become the 'standard' guidance document for industrial ground floors. The seminar will provide an excellent opportunity for delegates to be the first to be introduced to the new edition.

Delegates can pre-order copies of the 4th edition of TR34, for collection at the seminar, at a discounted price of £55 for Society members and £90 for non-members. (Publications are VAT exempt). Copies cannot be purchased on the day.

The Swalec Stadium, Cardiff is an excellent venue, with ample parking on site.

Exhibitors are very welcome and space will be allocated on a first come first served basis. The space available for an exhibition stand will be approximately 3m by 3m.

Rates for Individual Delegates: Includes lunch and refreshments

- **Members:** £45.00 + vat
- **Non-Members:** £60.00 + vat

Rates for Exhibitors: Includes stand space and one delegate, lunch and refreshments

- **Members:** £100.00 – alternatively up to two additional delegates £145.00
- **Non Members:** £125.00 – alternatively up to two additional delegates £175.00

For publication pre-orders, delegate and exhibitor bookings please contact Sue Courtney, Tel: 01276-607170; Fax: 01276-607141; Email s.courtney@concrete.org.uk or return the attached booking slip.
