Construction Safety & Health Awareness Day – 11 October 2017

Introduction

This is a **free** event run by industry for the industry as part of the UK-wide Working Well Together (WWT) campaign.

The aim is to raise awareness of key health and safety issues facing the construction industry and also to give practical advice on how to avoid risks on construction sites.

If you are self employed or have a small building, construction or contracting company then this **free** event is a **must**.

Free impartial advice available from the WWT industry partners.
