

Apprentice of the Year

Judges will be looking to award apprentices who are working towards or have recently completed their apprenticeship. Judges will look for:

Exemplars who showcase the difference they have made in the industry and organisations they work in. Demonstrating commitment to personal development and progression through contributions in the workplace. To be a shining example to other individuals looking to follow a career in construction.

Applicants must demonstrate how they aim to become one of the future leaders of the industry contributing towards the Construction 2025 vision as outlined below:

PEOPLE – An industry that is known for its talented and diverse workforce

SMART – An industry that is efficient and technologically advanced

SUSTAINABLE – An industry that leads the world in low carbon and green construction exports

GROWTH – An industry that drives growth across the entire economy

LEADERSHIP – An industry that with clear leadership from a Construction leadership council.

This can be Technical or Trade Apprentice

Commitment to Employee & Training Development

This award is open for organisations who have demonstrated and sustained a commitment to employee development. Judges will be looking for a company who have a strategic plan that includes driving performance via professional development. Judges will be looking for companies who invest time and resources into their employees and set clear targets providing staff with regular appraisals and feedback. Organisations should promote development providing opportunities across the company. Organisations should best define and demonstrate improvements resulting from targeted training and development, whether driven by strategic leadership of an enlightened client or a supplier, entries should show and win particular respect from the workforce and community through workforce development, skills and training.

Organisations should be striving to work towards the Construction 2025 vision as outlined below:

PEOPLE – An industry that is known for its talented and diverse workforce

SMART – An industry that is efficient and technologically advanced

SUSTAINABLE – An industry that leads the world in low carbon and green construction exports

GROWTH – An industry that drives growth across the entire economy

LEADERSHIP – An industry that with clear leadership from a Construction leadership council.

Future Leader Award

This award looks to recognise a young achiever in our industry. The judges are looking for the person that has best demonstrated a positive impact against the current G4C (Generation for Change) priority areas of people, sustainability and asset outcomes. The award is open to a person with less than ten years of experience in the construction and built environment sector.

When nominating someone consider the impact they have had on you, their organisation and their role in key projects, but also consider that person's potential. Nominations can be made from individual companies, colleges, universities, institutes and institutions.

Mentor of the Year

Judges are looking for individuals who have shown a commitment to developing the future leaders of the industry, investing time and nurturing while offering support and guidance. Applicants should show commitment to developing, nurturing and encouraging new entrants into the industry offering unbiased guidance. Judges are looking for an individual that have a good knowledge of current topics in the industry and develop to the changing industry.

Applicants should have a keen interest in mentoring, aiming to influence mentees to become one of the future leaders of the industry contributing towards the Construction 2025 vision.

This award is open to any Mentor within the construction & the built environment sector.

New Professional of the Year

Judges are looking for candidates who have completed professional studies within the construction and the built environment sector within the past 36 months. Applicants should demonstrate how they have excelled in the industry striving to make great contributions to the industry while demonstrating exemplary performance in their field of expertise standing out from their peers. This can be demonstrated through high technical ability, client and customer focus, projects or engaging and responding to the demands faced by clients and the industry. Applicants should demonstrate achievements throughout their career and how they have developed communication, team and leadership skills while aiming to become one of the future leaders of the industry contributing towards the Construction 2025 vision as outlined right:

PEOPLE – An industry that is known for its talented and diverse workforce

SMART – An industry that is efficient and technologically advanced

SUSTAINABLE – An industry that leads the world in low carbon and green construction exports

GROWTH - An industry that drives growth across the entire economy

LEADERSHIP – An industry that with clear leadership from a Construction leadership council.

This award is open to any New Professional within the construction & the built environment sector at any level.
