

Creating Amazing Art At The Court ALN School

Making Graffiti Murals For Their New School And Throwing Clay Pots Alongside Their Families – A Fantastic Art Day For Pupils At The Court School Hosted By Kier

OVERVIEW

With their exciting new school building currently under construction, the Kier team, in partnership with Cardiff Council wanted to deliver a special all-school activity for current pupils at The Court ALN school to celebrate.

With the need for new artwork in the new Ysgol Cynefin, what better way to allow pupils to feel included and part of the process than to host an inclusive, holistic celebratory art day for all pupils in the school. Kier wanted to create day that was special whilst harnessing the school motto 'keep calm and keep learning', providing ALN pupils with the opportunity to learn a new skill, make some fantastic memories and brilliant art pieces to be displayed in the new school.

As part of the celebratory day, pupils were thrilled to be able to invite their families into school to join in the fun, pot throwing and graffiti spraying!

Together, special memories were made throughout the day, embracing creativity and togetherness with family and friends whilst creating multiple art pieces to be displayed in the new school.

OUTCOME

The groups successfully made over 40 pots to take home and created 4 graffiti murals guided by artist Lloyd which will all be displayed in their new school Ysgol Cynefin- what an achievement!

An incredibly successful day with Kier volunteers supporting the smooth running alongside teachers and TA's supporting pupils, ex-teachers and family members to have a creative input into aspects of the new school. Pupils learned new skills, shared laughs and made some fantastic art pieces!

A lot of pupils will miss out on attending the new school, so it was a vital part of the project, as highlighted by school staff, to ensure pupils felt involved and regardless of their attendance within the new build, their personalities and essence would be captured through their creations, and displayed with pride for all to see.
